SUMMARY OF QUALIFICATIONS

I am a finishing student in Computer Science Technology-Programming at LaSalle College. I'm looking for an internship opportunity where I can apply my programming skills and knowledge learnt throughout my studies in a real-world setting. I have strong programming skills in languages like Java, C#, and Python and proven time management. My academic achievements in Algorithms, OOP Programming, Design Patterns, Database, and Web/Mobile Development have prepared me to tackle new challenges.

EDUCATION

DEC – Computer Science Technology-Programming   2023 – Present

LaSalle College, Montreal, QC

Certifications:

IT Essentials Certificate – Cisco Networking Academy   2022

PROFESSIONAL EXPERIENCE

Cashier and Customer Service   2023 – Present

Poulet Arthur   Saint Eustache, Canada

- Engaged with customers and ensure their needs are met, providing a positive customer experience.
- Worked in collaboration with teammates to optimize processes.
- Managed multiple tasks simultaneously, satisfying every customer.
- Solved unexpected technical problems quickly.

ACADEMIC PROJECTS

Kids World of Fun (PHP, MySQL, JavaScript, AJAX)   November 2023

Lasalle College   Montreal, Canada

- Collaborated on developing an interactive web-based game using PHP, MySQL, AJAX, HTML, CSS, and JavaScript.
- Designed and implemented the database structure for efficient data management.
- Developed password change functionality and core webpage components (header, navigation, and footer).
- Created queries to display game history, ensuring seamless frontend-backend integration for tracking game outcomes.
